A D D R E S S .

IN perusing this NEW DIRECTORY FOR 1849-50, it will appear manifest that great exertions have been made, to render the work extensively useful, and deserving of Public patronage.

In lieu of the Almanac and Tide Table, a Classification of Trades and Professions has been given, which, it is hoped, from its being the first yet offered to the Inhabitants of Greenock, will give general satisfaction.

The Publishers gratefully acknowledge the general and extensive support that has attended their present effort; and they trust that, by a continuance of a similar patronage, they will be enabled to publish annually. And while the position of the Publishers affords them the facility of procuring every species of information, calculated to be of local and general interest to the Public, they shall feel it to be their duty as well as their interest, in future editions, to admit of every susceptible improvement, and to render the work valuable to all classes of the Town and neighbourhood.

POSTAGE STAMPS.

Stamps may be procured at the General Office, Church Place, the Stamp Office, and the two Receiving Houses.

The Penny Labels, at 1d. each.

The Twopenny Labels, at 2d. each.

The Tenpenny Labels, at 10d. each.

The Shilling Labels, at 1s. each.

The Penny Envelopes, 24 for 2s. 3d., or 2 for 2¼d.

The Twopenny Envelopes, twelve for 2s. 2d. or 3 for 6½d.

Stamped Half-sheets of Paper, 1¼d. each, or 24 for 2s. 3d.

When the Value of Stamps on the Letter is less than the amount of the Postage to which it is liable, the Letter will be charged double the amount of such difference on delivery.

Stamps may be used for *Printed Votes and Proceedings in Parliament*, and on Foreign, Colonial, and Ship Letters, *outwards*. Letters for *parts abroad*, posted *with Stamps of less value than the full amount of Postage*, if addressed to places to which pre-payment is not compulsory, will be forwarded, charged with only such amount of Postage as shall be equal to the difference between the value of the Stamps and the proper rate of Postage; but letters addressed to *places abroad*, to which pre-payment is compulsory, if posted with Stamps of less value than the full amount of Postage, will be sent to the Dead-Letter Office, to be returned, in all practicable cases, to the writer. Stamps are not permitted to be used on Letters arriving in the United Kingdom *from the Colonies or Foreign Countries*.

These Regulations are applicable to Newspapers, in those cases where they are liable to Postage.

If the Stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter, entitles it to pass free of charge.

Re-directed Letters are charged an additional postage for each re-redirection, according to the Prepaid Scale.

Adhesive Stamps should be placed on the right-hand corner of the upper side of the letters, above the superscription. The most effectual plan is to dip the label wholly in water, to shake off the water immediately, and to press the label upon the letter with a piece of clean blotting paper. *When the gum is dull in appearance, it will require rather more time and moisture to make it stick firmly, than when it is glossy.* The purpose of wetting the label wholly is to counteract the tendency it has to curl up from the letter, when one side only is wetted; a tendency caused by the expansion of that side as it imbibes the moisture.

PREPAID RATES OF POSTAGE.

Letters not exceeding Half an Ounce in weight, One Penny—One Ounce, Twopence—Two Ounces, Fourpence—Three Ounces, Sixpence, and so on, two rates being added for every ounce. Inland Letters or Packets put unpaid into the letter boxes, are charged double the prepaid rates of postage. Letters insufficiently paid, either in money or by stamps, are charged with double the amount of the difference between the money paid or the stamps affixed and the prepaid rates.

LIMITATION OF WEIGHT.

A letter to pass unpaid by the post may not exceed Four Ounces. All above that weight must be prepaid, either in money or by stamps. In the event of any unpaid letter above the weight of four ounces being posted, it will be charged with double the prepaid rates of postage; if insufficiently paid, either in money or by affixed stamps, it will be charged with double the amount of the difference between the money paid or the stamps affixed, and the prepaid rates, and thus charged, "shall and may be detained and opened, and, at the option of the Postmaster-General, shall be either returned or given up to the sender thereof, or be given up to the person to whom it shall be addressed, or be forwarded to the place of its destination."—*Treasury Warrant*, 22d October, 1847.

LIMITATION OF SIZE.

A letter to pass by the post, either paid or unpaid, must not exceed the dimensions of twenty-four inches in length, or breadth, or width, or depth. Any letter above these dimensions may, if fully paid, be detained and opened, or forwarded at the option of the Postmaster-General. Any letter unpaid, or insufficiently, will be taxed precisely after the scale of charge mentioned in the preceding paragraph as applicable to unpaid letters exceeding four ounces weight, and thus charged, be either detained and opened, and returned to the sender, or forwarded at the option of the Postmaster-General. The only exceptions to the foregoing regulations as to size and weight are in the case of—1. Parliamentary proceedings or Addresses to Her Majesty: 2. Petitions to either Houses of Parliament, forwarded to any Member of such House: 3. Printed votes or proceedings of Parliament: 4. Letters or Packets to or from public departments or public officers in Her Majesty's service: 5. Letters, &c., to or from places abroad.

All persons sending letters by the post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a Magistrate.

Printed Votes and proceedings in Parliament are charged at the following rate, in different places in the United Kingdom, and between the United Kingdom and the Colonies, when conveyed by packet :

Not exceeding 4 ounces,	1d.
Exceeding 4 ounces, and not exceeding 8 ounces,	2d.
Exceeding 8 ounces, and not exceeding 12 ounces,	3d.
and so on in proportion. Prepayment optional.	

Letters of Soldiers and Sailors (except on letters addressed to the United States, which are charged $3\frac{1}{2}$ d.) remain unaltered, their privilege being restricted to half an ounce in weight.

Printed Books, Magazines, Reviews, and Pamphlets, (whether British, Colonial, or Foreign, may be transmitted by Post, within the United Kingdom, at the following rates :—

For each Packet, not exceeding 1 lb. 6d. Exceeding 1 lb., and not exceeding 2 lbs., 1s. Exceeding 2 lbs., and not exceeding 3 lbs., 1s. 6d. and so on. Provided, however, the following conditions be carefully observed :—1st, Every such Packet must be sent without a cover, or in a cover open at the ends or sides. 2d, It must contain a single volume, (whether printed Book, Magazine, Review, or Pamphlet) the several sheets or parts thereof, when there are more than one, being sewed, or bound together. 3rd, It must not exceed two feet in length. 4th, The Postage must be prepaid in full, by affixing outside the Packet or its cover the proper Stamps. The name and address of the *sender* may be written or printed upon it, and any other writing may be on any leaf of it, or on the binding; but all such last mentioned writing must be on one and the self same page or corresponding portion of the binding. If any of the above conditions be violated, the Packet will be charged as a Letter.

The following Instructions have been addressed to all Postmasters, and are strictly acted upon.

“ GENERAL POST-OFFICE.—On and after the 1st January, 1845, should any Letter or Packet be tendered at your Office, which you may ascertain to contain, or which you have every reason to believe, contains any of the following articles, viz. : Any Glass or Glass Bottle; any Razor, Scissors, Knife, Fork, or other Sharp or Pointed Instrument; any Leeches, Game, Fish, Flesh, Fruit, Vegetables, or other perishable substance; any Bladder or other Vessel containing Liquid; or any article, matter, or thing whatsoever, which might, by pressure or otherwise, be rendered injurious either to the Officers of the Post-Office, or to the contents of the Mail Bags; you will refuse to receive such Letter or Packet.

“ In the event of any Letter or Packet being taken in by you, and you do not, until afterwards, discover that it contains any Article as above described, or should any such Letter or Packet be deposited in the Letter Box, you will not forward it to its destination, but you will detain it in your Office, and inform me, by the first Post, of the circumstances, stating the precise Address of the Letter or Packet, and its contents, or what you suppose them to be, when proper steps will be taken in this Department in the case, and you will be instructed in what manner to dispose of the Letter or Packet.

“ Should any Letter or Packet, containing any article as before mentioned, not be discovered by the Postmaster at whose Office it may be posted, but be forwarded on to its destination, the Receiving Postmaster, to whose Town it may be addressed, upon discovering, or having every reason to believe, that its contents are such as those alluded to, will not send it out for delivery, but will detain it in his office, reporting the circumstance by the first Post, and stating the nature of its contents, when he will be duly instructed in what manner to dispose of it.”

NEWSPAPERS AND SUPPLEMENTS TO NEWSPAPERS.

ALL Newspapers must be sent in covers, open at the sides, and no words or communication may be printed or written on such papers or covers after the same shall have been published, other than the name and address of the person to whom they are sent; nor anything enclosed or concealed in either newspaper or cover. News-venders only may print their names and addresses thereon. Newspapers may be examined by the Officers of the Post-Office; and if there be any breach of the above regulations, the packet is chargeable with treble the amount of postage to which a letter of the same weight would have been liable. Any person contravening the law, may, at the option of the Postmaster-General, be prosecuted as for a misdemeanor.

Clause of the Act of 1st Victoria, cap. 34. sec. 32.

“ And be it further enacted, that in all cases in which a question shall arise, whether a printed paper is entitled to the privileges of a Newspaper or other publication hereby privileged, so far as respects the transmission thereof by the Post under the Post-Office Acts, the question shall be referred to the determination of the Postmaster-General, whose decision, with the concurrence of the Lords of the Treasury, shall be final.

MARKS OR WRITINGS ON NEWSPAPERS.

Writing or Marks are allowed on a Newspaper, passing by Post between any one Part of the United Kingdom, and any other Part, provided that a postage of one penny be paid, by means of a Stamp conspicuously fixed outside the cover or folded Newspaper. But the privilege is confined to writing or marks on the Newspaper itself, and is not to extend to the cover. Any writing or marks other than the address, on which, or (if the Postage be not prepaid as above) on the Newspaper itself, will subject the Newspaper to the same rate of Postage as that to which an unpaid letter of the same weight is liable.

NEWSPAPERS FROM THE BRITISH COLONIES

are delivered free of Postage at any place within the British dominions. Those for persons who have removed, may be forwarded by Post, free of charge, provided they have not been opened at the place to which they were originally addressed.

TO THE BRITISH COLONIES AND FOREIGN PARTS.

Newspapers liable to the Stamp duty may be forwarded to the British Colonies and Possessions, by her Majesty's Packet Boats, free of the Duty of Postage, provided the same be duly stamped, made up open at the ends, and put into any Post-Office within seven days after the day of publication.

Newspapers may also be forwarded to the Colonies, by Private Ships, for a Postage of One Penny each, and to Foreign countries for a Postage of Twopence each, to be paid when posted, under the same regulations as to date, &c.

For days of despatch and Rates of Postage, see the Alphabetical List of Foreign Countries.

NEWSPAPERS FROM ABROAD.

Newspapers arriving from British Colonies or “ Foreign Parts,” to which they are despatched free, are delivered free of Postage. From places abroad, to which they are not despatched free, they are charged, on delivery, Twopence each; excepting those brought by the Closed Mail through France, which are charged Threepence or Fivepence each. All newspapers must be printed in the language of the Country from which they are sent.

PRINTED PRICES CURRENT, having obtained the sanction of the Lords of the Treasury, pass through the Post-Office to the Colonies and Foreign Parts at one penny each, provided they contain simply the names and prices of articles; the names and addresses of the parties dealing in such articles must be excluded. Each copy to be made up in the same form as a Newspaper, with covers open at the end.

The title of the publication must be written or printed immediately above the address; and any other writing than such address, name, initial, or mark for reference of any kind, calculated to convey information as to the party by whom such publication is forwarded, will subject the same to full letter rates of postage.

Every Price Current to be posted within *seven* days after each publication; and no one can be forwarded a *second* time without being charged with full letter postage.

All other PRICES CURRENT and COMMERCIAL LISTS, published in the United Kingdom, *if duly stamped*, and *under the weight of two ounces*, will be treated as Newspapers, and enjoy the Newspaper privileges; *the sanction of the Postmaster General having been previously obtained*.

PRINTED PRICES CURRENT, and COMMERCIAL LISTS, from the British Colonies, France, Belgium, and Holland, are now admitted into the United Kingdom, at the reduced rate of One Penny each, whether conveyed by Packet or by Private Ship.

PRINTED PRICES CURRENT, and COMMERCIAL LISTS, from any foreign country, except France, Belgium, Holland, Prussia, and China, are admitted into the United Kingdom, at the reduced rate of Twopence each.

PRICES CURRENT, and COMMERCIAL LISTS, from the British Colonies, *passing through the United Kingdom*, are liable to a postage of Twopence each, to be paid at the time of being posted.

PRICES CURRENT, and COMMERCIAL LISTS, from the British Colonies, *passing through France, Belgium, or Holland, to the United Kingdom*, are liable to a Postage of Twopence each.

PRINTED PRICES CURRENT, and COMMERCIAL LISTS, to China, *via Southampton*, 2d. each; *via Marseilles*, 3d. each. From China, *via Southampton*, 3d. each; *via Marseilles*, 5d. each.

REGISTRATION.

Letters, *whether containing Coin, or not*, can be registered, on payment of a fee of sixpence, in addition to the Rates of Postage, Inland, Colonial, or Foreign. On those for delivery in France, the charges besides the Registration fee will be the English rate to France, in addition to double the French rate. A printed Acknowledgement will be given to any person registering a letter. Registered Letters will be taken at the Bar Window and the Receiving-Houses within half an hour of the closing of the Box for the particular Mail by which they are to be dispatched. Letters for Registration, addressed to places within the United Kingdom, must be paid by affixing a sufficient number of Stamps; when addressed to parts abroad they may be paid either in money or by means of Postage Stamps, but the fee of Sixpence must always be paid in money.

In cases of Foreign, Colonial, or Ship Letters, it must be clearly understood that Registration can only extend to the Port of shipment. Letters, however, addressed to France, and Letters passing through France, are exceptions to this rule, the French Post Office undertaking to provide for their security till they shall have been delivered, if addressed to France, and as long as they remain in the French territory, if passing through France.

The arrangements for carrying out the system of registration have been made with the view of ensuring the safe delivery of Registered Letters. On their delivery, the parties to whom they may have been addressed will be required to acknowledge in writing their receipt. Parties transmitting Bank Notes, Bank Post Bills, Drafts, Jewellery, &c., should invariably secure their transmission by Registration; and persons having occasion to send by Post small sums, are recommended to make use of

THE MONEY ORDER OFFICE,

Which is open every week-day, Fast days excepted, from 9 a. m. till 5 50 p. m. The charge for such Orders is threepence on sums not exceeding Two Pounds, and sixpence on sums between two and five pounds. No order will be given for sums beyond this amount; but if the sum to be transmitted exceeds five pounds, as many orders may be taken out as will make up the sum to be sent.

In cases where the personal attendance of the party to whom an order is payable is inconvenient, if the order is receipted (his or her name written in full), and the person presenting the order be able to give full information as to the Christian name, surname, address, and occupation of the person who transmitted the money, payment will be made, but not unless these conditions are complied with. Orders will not be granted in favour of any person, unless the Christian name of such person can be given by the party obtaining the order. Orders cannot now be granted in favour of the "Secretary" of any Society, the "Publisher" of a paper, &c. In cases of Firms, initials only are required.

The towns upon which money orders can be drawn are marked in the lists.

FORM OF PROCEEDING IN THE RECOVERY OF SMALL DEBTS.

Debts may be recovered in a summary form, before the Justice of Peace Court, to the extent of £5; and, before the Sheriff Courts, to the extent of £8 6s. 8d.

The first step is to set forth in a complaint or libel, agreeably to a prescribed form, (the Clerks of Court will provide the necessary forms,) the origin of the debt, or ground of action; and to cause the same, with a copy of the account, if any, to be served on the defender.

A warrant will, at the same time, be obtained to cite witnesses, and to use arrestments.

The parties may appear either by themselves or by members of their families, or others whom the Court may authorise; but in no case by persons practising the profession of the law, without special leave.

If the defender fail to appear, after being cited personally, he will be held as confessed, and judgment will be given against him.

In the Justice of Peace Court, if the defender has not been cited personally, he will receive a second citation; after which, whether given personally or not, he will be held confessed, as above; but in the Sheriff Court only one citation is given.

But when a decree is given in absence against the defender, he may, before a charge is given, or in the event of a charge being given, before implement has followed, but not to exceed three months, apply for a re-hearing, on consigning the sums decerned for, and 10s. to meet further expenses.

If decree in absence be given against the pursuer, he may, within one month, obtain a re-hearing, on consigning 2s. 6d., if the case be before the Justices; and the expense decerned for, with 5s. to meet further expenses, if the case be before the Sheriff.

The case will be adjourned, upon the pursuer or defender offering a suitable excuse, or if any witness be absent.

If decree be given against the defender in his personal presence, diligence may proceed against him by arrestment instantly; and by poiding and sale, at the end of ten days.

If decree be given against the defender in his absence, poiding and sale, as above, can only follow after a charge of ten days.

The defender on shewing cause, may be allowed to pay the sums decerned for by instalments,

The decrees of the Sheriff may be executed in any county, on the same being endorsed by the Clerk of such county.

Any arrestments used in cases before the Sheriff, must be used within sixty days after the warrant is obtained, and renewed every three months; and such arrestments may be loosed, on offering sufficient caution, or on showing evidence of absolvitor, or payment, or on consigning the sums demanded, if before decree.

The above forms will apply to any action of forthcoming whatever, before the Sheriff, for making effectual arrestments; but in such actions both the defender and arrestee must be cited to appear in Court on the same day.

Decrees, pronounced in this summary form, by the Sheriff, will only be reviewable by the next Circuit Court of Justiciary, or, if there be no Circuit Court, by the High Court of Justiciary, at Edinburgh, on the ground of corruption, or malice, or oppression, on the part of the Judge.

Such decrees, when pronounced by the Justices, will only be reviewable by a reduction before the Court of Session, on the ground of malice and oppression on the part of the Justices; and such reduction will only be competent for one year, and finding caution for costs,

No person shall be exempted from the jurisdiction of Justices or Sheriffs, in such cases, by reason of privilege as a member of the College of Justice.
